

Healthy Climate® Power Humidifier (HCWP18)

Home comfort

- ◆ **Whole-home humidification** helps control problems associated with dry, indoor air, providing optimal comfort and air quality
- ◆ **Works with your central comfort system** – equipped with a built-in fan that works with your central comfort system to add moisture as needed to circulated air
- ◆ **18-gallon capacity per day** to maintain just-right moisture levels in your home
- ◆ **EquaFlo™ channel design** provides even water distribution for optimal moisture
- ◆ **Uses an evaporative humidification process** that optimizes the distribution of moisture, helps prevent the build up of minerals, bacteria, and mold, and minimizes the amount of maintenance required

Reliable performance

- ◆ **Quality you can trust** – designed with reliable, time-tested components
- ◆ **No ozone emissions, a known lung irritant**
- ◆ **5-year limited warranty** on covered components

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.
